GENERAL PUBLICITY

The advertiser who spends his money for General Publicity is buying something he cannot weigh, count, measure or gauge. Everything else he buys has to be checked up to see that value is received before the bill is passed. There are some advertisers who blindly pay General Publicity advertising bills, but their number is decreasing rapidly as time goes by. They are tired of chasing this phantom-General Publicity.

"SHOW ME"

This is the kind of advertising that you can weigh, count, measure and gauge. "Show Me" advertisers can quickly figure cause and effect. They make their advertising a matter of debit and credit. Their advertising is the kind that has argument in it. "Show Me" advertisers do not waste space with pretty pictures of women, on fancy gew-gaws, they want RESULTS. Here is where the Tee-Dee Want Ads. come in-a short trial will show you the results, and the expense is so small that any one can afford it. 'Phone 549 for the Want Ad.
